RRPs are recommended prices only. Resellers are not obligated to sell products for such prices. Additionally, Apple is not responsible for Resellers' compliance with any laws relating to the goods and services tax in Australia, including Trade Practices laws, regulations and associated guidelines, or for Resellers' ability to recoup GST from customers. Resellers should determine their own selling prices taking into account all relevant factors and having regard to their obligations under the goods and services tax and associated tax reform measures, including cost savings obtained from tax reform which may be required by Trade Practices legislation, laws and/or ACCC guidelines to be passed through to customers. Apple is not able to accurately determine, and does not take any responsibility for determining all such cost savings to Resellers and cannot therefore guarantee that RRPs stated herein satisfy Trade Practices legislation, laws and ACCC guidelines. Apple is not responsible for any loss including any penalties incurred by Resellers as a result of the goods and services tax, Trade Practices laws and associated guidelines past, present and future.

GST amounts listed in this price list have been calculated and, where necessary, rounded in accordance with the GST law. Depending on actual quantities supplied and invoiced, due to the rounding rules, the GST payable may vary slightly from 1/11th of the total price charged.
