1. General.

A. The Apple software, interfaces, content, templates, data, and other materials accompanying this License, whether on disk, print or electronic documentation, in read only memory, or any other media or in any other form (collectively the “Apple Design Resources”) are licensed, not sold, to you by Apple Inc. (“Apple”) for use only under the terms of this License. Apple and/or Apple’s licensors retain ownership of the Apple Design Resources and reserve all rights not expressly granted to you. The terms of this License will govern any software upgrades provided to you by Apple that replace and/or supplement the original Apple Design Resources, unless such upgrade is accompanied by a separate license in which case the terms of that license will govern.

B. The Apple San Francisco font is subject to a separate license agreement. If you want to install and use the Apple San Francisco font, you must first accept the separate license agreement that accompanies the font.

C. Title and intellectual property rights in and to any content displayed by or accessed through the Apple Design Resources belongs to the respective content owner. Such content may be protected by copyright or other intellectual property laws and treaties, and may be subject to terms of use of the third party providing such content. This License does not grant you any rights to use such content nor does it guarantee that such content will continue to be available to you.

2. Permitted License Uses and Restrictions.

A. Limited License. Subject to the terms of this License and your compliance with Apple's Human Interface Guidelines, you are granted a limited, non-transferable, non-exclusive license to use the Apple Design Resources solely for creating mock-ups of user interfaces designed for use in software products that run only on Apple's macOS, iOS, watchOS, tvOS, and/or visionOS operating system software ("Mock-Ups"). The foregoing right includes the right to show the Apple Design Resources in screen shots, images or other depictions of such Mock-Ups.

You may use the Apple Design Resources only for the purposes described in this License or as otherwise expressly permitted by Apple in writing.

B. Other Use Restrictions. The grants set forth in this License do not permit you to, and you agree not to, install, use or run the Apple Design Resources for the purpose of creating mock-ups of user interfaces to be used in software products running on any non-Apple operating system software. You may not embed the Apple Design Resources in any software programs or other products. Except as expressly provided for herein, you may not use the Apple Design Resources to create, develop, display or otherwise distribute any documentation, artwork, website content or any other work product.

Except as otherwise expressly permitted by the terms of this License or as otherwise licensed by Apple, you may not make the Apple Design Resources available over a network where they could be run or used by multiple computers at the same time. You may not rent, lease, lend, trade, transfer, sell, sublicense or otherwise redistribute the Apple Design Resources in any unauthorized way, or enable others to do so.

C. Template Content. The Apple Design Resources licensed hereunder contain content such as interfaces, graphics, artwork, images, and similar content (individually and collectively, the "Template Content"), for use in creating your Mock-Ups in accordance with this License. To the extent that you provide Mock-Ups you create using the Template Content to any other party, you agree to ensure that each such recipient is aware of the restrictions set forth in this License including, without limitation, the restriction on extraction of Template Content and the requirement that the Template Content be used only for Mock-Ups of user interfaces for software products that would run only on Apple's macOS, iOS, watchOS, tvOS, and/or visionOS operating system software. The Template Content may not otherwise be used, extracted, copied, modified, distributed, or repackaged as content, clip art, stock animation, or similar assets, or in any other manner.

D. No Reverse Engineering; Limitations. You may not, and you agree not to or to enable others to, copy (except as expressly permitted by this License), decompile, reverse engineer, disassemble, attempt to derive the source code of, decrypt, modify, create derivative works of the Apple Design Resources or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law).

E. Compliance with Laws. You agree to use the Apple Design Resources in

compliance with all applicable laws, including local laws of the country or region in which you reside or in which you download or use the Apple Design Resources.

3. **No Transfer or Assignment.** Except as otherwise set forth herein, you may not transfer the Apple Design Resources without Apple's express prior written approval. All components of the Apple Design Resources are provided as part of a bundle and may not be separated from the bundle and distributed on a standalone basis. This License may not be assigned by you, nor may the rights granted hereunder be transferred by you, in whole or in part, through acquisition, merger or otherwise, without the prior written consent of a duly authorized representative of Apple. Any attempted assignment in contravention of this section shall be void.

4. **Termination.** This License shall commence upon your installation or use of the Apple Design Resources. Your rights under this License will terminate automatically or cease to be effective without notice from Apple (a) if you fail to comply with any term(s) of this License or (b) if Apple releases a version of the Apple Design Resources which is incompatible with this version of the Apple Design Resources. Upon the termination of this License, you shall cease all use of the Apple Design Resources and destroy all copies, full or partial, of the Apple Design Resources. Section 2B, 2D, and 5 through 10 of this License shall survive any termination.
